

# SPRINGWOOD STATE HIGH SCHOOL BYOD

## Responsible use agreement

Name: \_\_\_\_\_ Care Class: \_\_\_\_\_

### Responsible use agreement

The following is to be read and completed by both the STUDENT and PARENT/CAREGIVER:

- I have read and understood the BYOD Charter and Springwood State High School Responsible Behaviour Plan (available in the Student Diary and on the school website).
- I agree to abide by the guidelines outlined by both documents.
- I am aware that non-compliance or irresponsible behaviour, as per the intent of the BYOD Charter and the Student Code of Conduct, will result in consequences related to the behaviour.
- I understand there is a monthly data allocation for all students, and if this data allocation is exceeded the student will be unable to access the internet at school until allocation resets at the start of the next month (current allocation: years 7, 8, 9, 10 – 5,000Mb, years 11,12 – 10,000Mb)
- The device my student will be bringing to school to engage in digital learning activities is:

- 
- I understand that it is my/my child's responsibility to care for the device and it's appropriate use.
  - I acknowledge that the school is providing a "check in" locker system in the Innovation Hub to support my child in caring for their device.

Please check the box if you would like your students to be able to access their School Network (H) Drive Folder from their device. This will provide them with a backup of all their work on the school network.
